PORCELANOSA

FLOOR & WALL TILES

Great selection from "PORCELANOSA" and "SALONI" brands.

Both "PORCELANOSA" and "SALONI" are leaders in the manufacture of ceramic floor tiles thanks to their advanced production techniques and the quality and versatility of their designs. Championed in dictating new trends, their collections of flooring reveal a deep breath in natural materials, without sacrificing the properties and intrinsic characteristics of ceramics.

Wood Floors from "SURCO" brand.

"SURCO" brand belongs to the group Azkue and it has been since 1933 a reference brand in the furniture and wood treatment sector. We have incorporated into our quality specifications the panel of multilayer wood with a core of plywood that guarantees maximum resistance to the finish with fine wood. Among the finishes, always natural, we can choose a range of colours, high resistance varnished finishes and natural oil "Hardwax Oil". All within the highest quality and environmental sustainability.

BATHROOM FITTINGS

Baths and showers: "JACOB DELAFON" or "DURAVIT"

"JACOB DELAFON" has been an indispensable actress in the history of the bathroom for more than 120 years and it has always been recognised for its ancestral know-how and for being one of the main precursors of hygiene and hydrotherapy. Thanks to its experience acquired in the course of the years, the brand creates products of an irreproachable quality and always boasting of an exquisite design.

"DURAVIT" shows again and again the willingness of opening new paths with innovative techniques with an exceptional design and the creation of new product segments. Although we live in the age of high technology and automation, products with such high requirements in design and functionality, make quality a matter of craft skills. For this reason, "DURAVIT" maintains a high percentage of hand production to ensure the highest standards.

Taps: "GROHE" or "JACOB DELAFON"

"GROHE" is the world's leading provider of sanitary fittings and a global brand, dedicated to providing innovative water products. For many decades, it has been committed to the brand values of technology, quality, design and sustainability that all illustrate GROHE's commitment to creating exceptional experiences, innovation and functional design.

"JACOB DELAFON" has been an indispensable actress in the history of the bathroom for more than 120 years and it has always been recognised for its ancestral know-how and for being one of the main precursors of hygiene and hydrotherapy. Thanks to its experience acquired in the course of the years, the brand creates products of an irreproachable quality and always boasting of an exquisite design.

KITCHEN

The Venetian Internationally known brand "ZAMPIERI" has designed exclusively for this project to ensure the best quality and finishes of your kitchen. It comes fully equipped and furnished with high and low cabinets.
