FLOOR & WALL TILES

PORCELANOSA®

Great selection from "PORCELANOSA" and "SALONI" brands.

Both "PORCELANOSA" and "SALONI" are leaders in the manufacture of ceramic floor tiles thanks to their advanced production techniques and the quality and versatility of their designs. Championed in dictating new trends, their collections of flooring reveal a deep breath in natural materials, without sacrificing the properties and intrinsic characteristics of ceramics.

Wood Floors from "SURCO" brand.

"SURCO" brand belongs to the group Azkue and it has been since 1933 a reference brand in the furniture and wood treatment sector. We have incorporated into our quality specifications the panel of multilayer wood with a core of plywood that guarantees maximum resistance to the finish with fine wood. Among the finishes, always natural, we can choose a range of colours, high resistance varnished finishes and natural oil "Hardwax Oil". All within the highest quality and environmental sustainability.

BATHROOM FITTINGS

Baths and showers: "KALDEWEI",

Baths and showers "KALDEWEI" meet the highest standards in design and quality. Made of vitrified steel, unique of its kind, in which rigid moldable resistant glass and steel are combined to form a unique material, the products provide a continuous aesthetic and make them ideal heat conductors. "KALDEWEI" gives 30 years warranty on all its products made of vitrified steel.

Toilets: "DURAVIT".

"DURAVIT" shows again and again the willingness of opening new paths with innovative techniques with an exceptional design and the creation of new product segments. Although we live in the age of high technology and automation, products with such high requirements in design and functionality, make quality a matter of craft skills. For this reason, "DURAVIT" maintains a high percentage of hand production to ensure the highest standards.

Wash Basins:

Wash Basins have been designed in exclusivity for this project (including furniture).

Taps: "HANSGROHE" brand.

"HANSGROHE" is a pioneer in its industry in regards to sustainability, environmental protection and climate. In the ideology of "HANSGROHE" and its corporate goals, social responsibility and sustainability are anchored. The passion for water drives them to further expand the range of products that save water and energy. These are the products that every home will have.
